SUBJECT: Memorandum for the Record of 6 November 1964

In paragraph 4 of referenced memorandum, it is indicated that complete systems requirements for Systems 9b, 12b, 12c, 13a, 13b, 16 and 17 will be confirmed by 1 December 1964 for OSA use. I would like to review these complete Systems requirements at least one week prior to the first of December. Would it be convenient to schedule these between 8:30 and 9:30 on five consecutive mornings handling System 9, System 12, System 13, System 16, System 17 in turn.
